OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 6 December 1967

STAT

STAT

3. [] Met with James Knowles, Research Director of the Joint Economic Committee, to assure him that our people were in direct contact with Leon Herman, Legislative Reference Service of the Library of Congress, and would be providing assistance to Herman in his work on the current economic studies for the Committee. Knowles said that John Henderson was handling this for the Joint Committee staff and if we have any questions to feel free to contact Henderson directly.
